Memorandum

Date: March 31, 2020
To: "A/B" Building Residents
From: Patrick O'Neill, Chief Executive Officer
Re: Meal Service - Garbage

With the mandatory meal service delivery implemented on March 30th due to the COVID-19 pandemic, we understand that there is additional garbage due to the disposable containers and utensils for this service.

The following provides direction with respect to garbage disposal:

- For independent residents who do not receive service, it is expected that you continue to dispose of your own garbage and that all waste is double-bagged and securely tied before it is placed in the chute.
- For all residents who are currently on service, Assisted Living staff will continue to remove garbage for you.

Should you have any questions, please contact Assisted Living staff at Ext. 232.

Your cooperation in this matter is appreciated.

Sincerely,

A handwritten signature in black ink that reads "Patrick O'Neill".

Patrick O'Neill
Chief Executive Officer
