IMPORTANT UPDATES

COVID-19 VACCINATIONS

Please be advised that directive from Niagara Region Public Health has **ONLY** been given for the provision of vaccinations to residents within Long Term Care and those receiving Assisted Living Services at this time. We will provide updates to the rest of NIGGV residents as soon as we are given notification. Memos will again be distributed to individual units in a timely fashion when the directive has been received from Public Health and will be cross posted on our website, www.niggv.on.ca. Thank you for your patience in this matter and please continue to follow safe practices daily to ensure the health and safety of not only our residents but our staff who continue to work tirelessly to provide care during these difficult times.

GREETINGS FROM THE NIGG Foundation

STAFF APPRECIATION

On behalf of all Foundation Board members, we would like to extend our appreciation to management and staff for their diligent efforts over the past year as we continue to deal with the challenges of the COVID-19 pandemic. We are grateful for their dedication as the health and safety of residents at both the St. Catharine's Village and Stone Road Village are of paramount importance.

CHRISTMAS GIVING CAMPAIGN

This year's Annual Foundation Christmas Campaign surpassed the \$20,000 goal with a total of \$20,435 raised! We wish to express our sincere appreciation to all residents and family members who supported this worthy cause.

GOLF TOURNAMENT

Although we were not able to host our annual golf tournament in 2020, we look forward to another productive year in 2021.

"A/B" BUILDING WALKWAY

We are pleased that the refurbishment of the "A/B" Building walkway was completed last fall. We estimate that three trips around the path is approximately 1 km, so please take advantage of the improvements! Please continue to practice physical distancing protocols and wear masks if you elect to go outside to enjoy this feature.
