Niagara Ina Grafton Gage Village

Memorandum

Date: July 15, 2021

To: All Residents, Staff, Volunteers, Essential Caregivers, and General Visitors

From: Wayne D. Williams, Chief Executive Officer (CEO)

Re: Re-opening Ontario – Stage 3 Announcement

As I'm sure you are all aware, the Provincial Government announced that Ontario would be advancing to **Stage 3** of the **Re-opening Ontario plan** on **Friday, July 16, 2021**. The decision was made in consultation with the Chief Medical Officer of Health and local medical officers of health and is based on positive local trends of key public health indicators, including lower transmission of COVID-19.

Niagara Ina Grafton Gage Village staff are working tirelessly to implement the public health and workplace safety measures that have been lifted; however, we will continue to do this cautiously to ensure the safety of our residents, staff, volunteers, essential caregivers and general visitors.

We ask for your continued patience and support while NIGGV transitions in to Stage 3.

Copies of this memorandum, and any future updates, will be placed at the Screeners' desks and on the NIGGV website. If you should have any questions, as always, please do not hesitate to reach out.

Sincerely,

Niagara Ina Grafton Gage Village
