### Memorandum

Date: September 30, 2021

To: Assisted Living Residents

Re: COVID-19 – 3<sup>rd</sup> dose Vaccination Clinic

We have received confirmation from Public Health that our vaccination clinic will be held on **Friday, October 15, 2021**. Unfortunately, Public Health will **only** be vaccinating residents on Assisted Living Services and you must have received your 2<sup>nd</sup> dose greater than 5 months ago. We apologize for the inconvenience but independent residents will not be included at this time.

Please be aware of the following:

- The vaccinations will be administered in the Auditorium located in “B” Building.
- **Please adhere to the following schedule:**
  - 9:45 am – 11:00 am: “A” Building residents
  - 11:00 am – 12:15 pm: “B” Building residents
  - 1:00 pm – 1:30 pm: “Bungalow” Building residents
  - 1:30 pm – 2:30 pm: “D” Building residents
  - 2:30 pm – 3:30 pm: “E” Building residents
- Unfortunately, we are unable to accommodate any schedule changes for residents who cannot attend during the times noted above.
- If you are coming from “D”, “E” or Bungalows, you must report to the screening desk in the entrance of “B” Building at your scheduled time, you are to complete the screening process prior to proceeding to the auditorium. All “A” & “B” residents can report directly to the auditorium; screening is now required.
- If we are running ahead of schedule, we will call you to come to “B” building sooner, please do not report to the screening desk/Auditorium outside of your schedule time slot unless you are asked to do so.
- Masks **must** be worn; one will be provided to you if required.

If you require assistance to the auditorium, we will have staff available to escort you to and from the clinic.

Thank you for your cooperation in this regard.

Sincerely,
